26026 cases tested positive for SARS-CoV-2 virus were reported in Hong Kong on 27 February 2022.

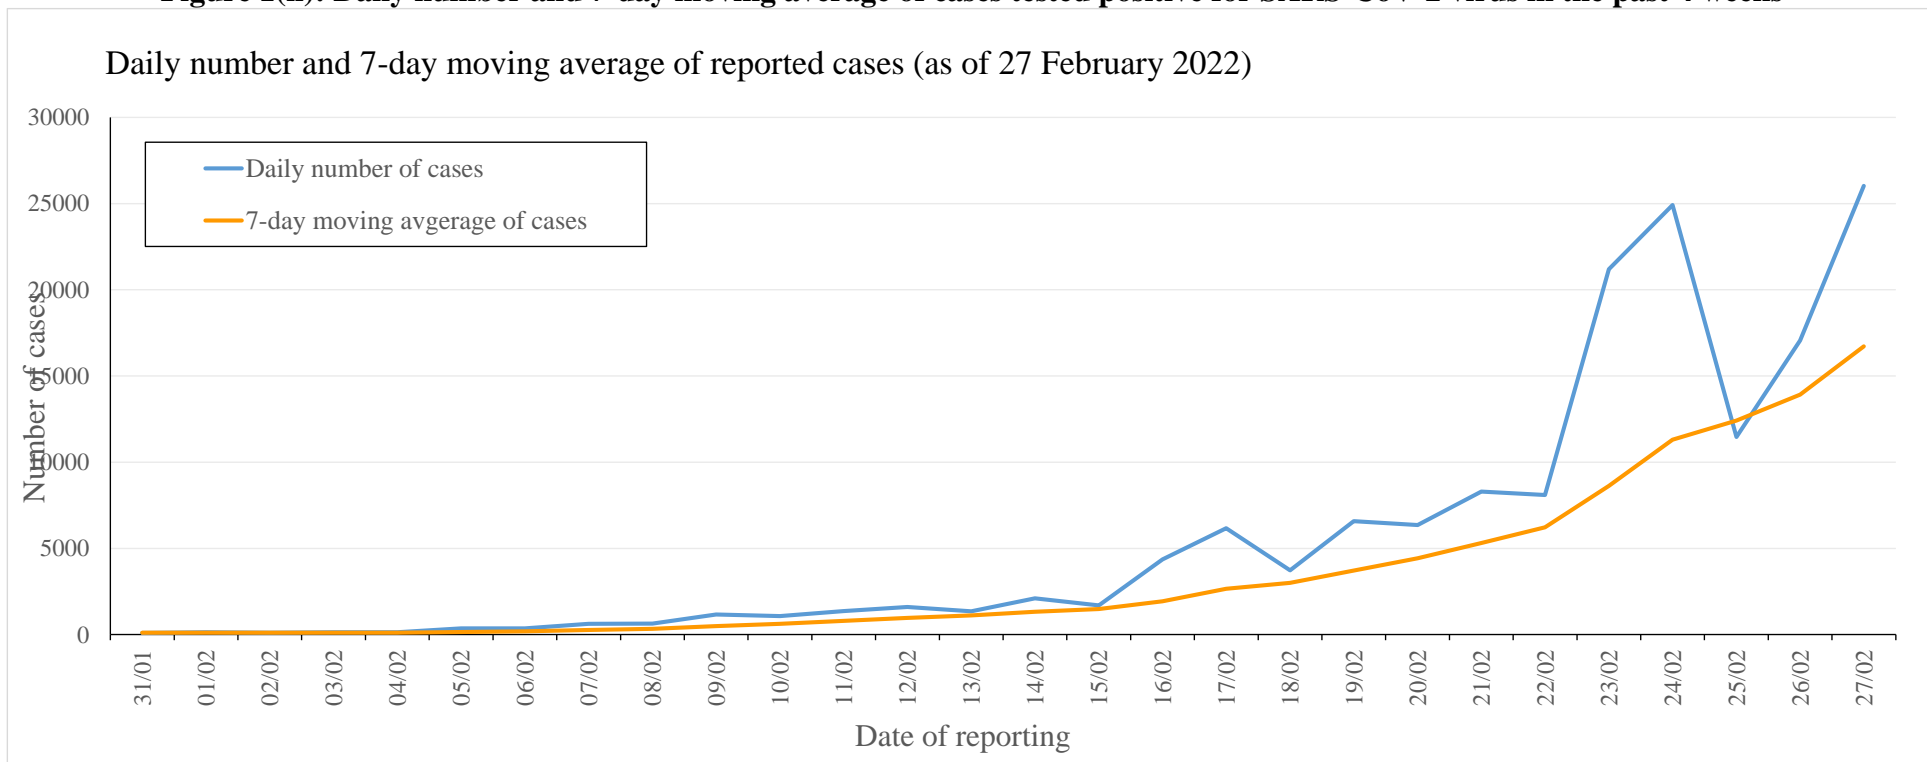

In the recent 7-day period from 21 to 27 February 2022, an average of 16724.3 cases were reported per day, as compared with 4428.0 cases per day reported in the previous 7-day period from 14 to 20 February 2022 (Figure 1).

Since 31 December 2019, the Centre for Health Protection (CHP) of the Department of Health has recorded a total of 171314 cases tested positive for SARS-CoV-2 virus. Among these cases, 659 were fatal cases (Figure 2).

Figure 2: Hospitalisation status of cases tested positive for SARS-CoV-2 virus

*The Hospital Authority is still preparing information of the hospitalisation status of reported cases.

Note:

- 1. 659 cases were fatal cases.

2. There were 26 026 additional cases that tested positive for the SARS-CoV-2 virus reported on 27 February. With effect from 26 February 2022, the review procedure by DH's Public Health Laboratory Services Branch (PHLSB) on the samples that tested preliminarily positive by testing contractors would be dispensed. Positive cases detected in nucleic acid tests by testing contractors were directly deemed as confirmed cases. Under this arrangement, cases that were originally pending PHLSB's review were treated as cases that tested positive. Hence, Hong Kong recorded a total of 171 314 cases that tested positive for the SARS-CoV-2 virus as at 27 February 2022. (<https://www.info.gov.hk/gia/general/202202/27/P2022022700695.htm>)

Further analysis of these cases could be referred to the tables and figures below. Details of cases reported on or before 6 February 2022 are available at the COVID-19 thematic website (https://www.chp.gov.hk/files/xls/previous_cases_covid19_en.xlsx). Five cases were deleted on 3 September 2021 (<https://www.info.gov.hk/gia/general/202109/03/P2021090300392.htm>). One case was deleted on 29 January 2022 (<https://www.info.gov.hk/gia/general/202201/29/P2022012900846.htm>).

Table 1 shows the classification of cases reported since 31 December 2021.
